

ACE Cleaner

Universal surface cleaner and degreaser.

Properties:

- Acetone-based
- Excellent cleaning and degreasing properties
- Quickly evaporates

Advantages:

- Strong cleaning effect
- Suitable for cleaning all metals, glass, ceramics and other surfaces
- Effectively dissolves impurities, glues, varnishes, oils, grease and more

Warning:

ACE CLEANER can damage paints and certain plastics. The cleaned surface must first be tested in a hidden spot.

Applications:

ACE CLEANER is a special cleaning and degreasing product, effective at removing impurities, glues, varnishes, oils, grease and dust. It is also suitable in the automotive industry for cleaning and degreasing brake discs, brake drums, brake pads, clutch lining and more.

Order codes:

Name	Storage code	Package	Volume / Size	Order number
ACE Cleaner	ACE25	Canister	25 litres	1 35150

Instructions for use:

1. Apply a sufficient amount of **ACE CLEANER** using a suitable method (spray, brush, cloth etc.), alternatively clean the object by submerging it in a solution
2. Leave for 1 to 5 minutes and dry the surface (leave the cloth to dry properly)
3. Repeat or leave the product on for longer in case of heavy soiling.

ONLY FOR PROFESSIONAL AND INDUSTRIAL USE!
