

Fine Cleaner

Special ethanol-based degreaser.

Properties:

- Cleans and degreases with no residue
- Streak-free
- Perfectly prepares surface for adhesion/sealing
- Does not damage plastic, rubber, polycarbonate and polystyrene

Advantages:

- Can be used on any varnished or non-varnished surfaces
- High cleaning and degreasing effect, guaranteed result
- Can be applied via spray or manually (can)
- Variable usage
- Safe to use in all industries

Applications:

FINE CLEANER is a special, ethanol-based product, suitable for preparation of a perfectly clean and degreased surface for excellent adhesion of SMP- and polyurethane-based glues and sealants. Very good for degreasing sensitive surfaces such as plastic, rubber, polycarbonates, glass, mirrors, varnished ceramic, polystyrene etc. It is suitable for cleaning and degreasing both varnished and unvarnished nonporous surfaces.

Order codes:

Name	Storage code	Package	Volume / Size	Order number
Fine Cleaner	FCS	Spray	500 ml	1 35342
Fine Cleaner 1 l	FCK	Can	1000 ml	1 35343

Instructions for use:

Shake container well before use.

For achieving the best result, slightly dampen a microfibre cloth or paper (it must not release fibres) and wipe the surface with one stroke in the given direction. Leave to air out for min. 30 seconds. Use a new cloth for any further cleaning. Repeat the procedure in case of heavy soiling.

ONLY FOR PROFESSIONAL AND INDUSTRIAL USE!

Storage:

Store in cool and dry conditions.

Health and Safety:

Please read our Material Safety Data Sheet.
