

# Fire Stop

Extinguishing spray.

## Specifications:

- Easy application
- "Spray" package

## Advantages:

- Immediate action in case of fire
- Always on hand

## Applications:

**FIRE STOP** is a portable extinguishing spray for immediate use in case of originating fire both in exterior and interior. It is also suitable for extinguishing fires of electrical devices up to 1000 V, in this case the extinguishing distance must be at least 1 m! The content of the spray is nontoxic and harmless to the environment.

**WARNING:** it is not considered a fire extinguisher according to the EN3 standard!
