

Label Off

Gel sticker remover.

Properties:

- High efficiency
- Gel consistency
- Sensitive to all surfaces

Advantages:

- Pleasant odour
- Simple use
- Quick application

Applications:

RETECH Label Off is a highly efficient professional product for quick and sensitive removal of glue residue left after foils, stickers, masking tape, labels, cellotape, textile tape, etc. **RETECH Label Off** can be used in many applications on all common surfaces such as varnish, glass, metal, ceramic, wood, plastic, polycarbonate, leather, faux leather, and more.

Order codes:

Name	Storage code	Package	Volume / Size	Order number
Label Off	LOFF	Bottle	1L	1 37700

Instructions for use:

1. Remove the PVC sticker, label, plastic foil etc. the usual way before using the product.
2. Apply evenly on the surface and leave for 1-2 minutes.
3. Remove the dissolved glue remnants with **RETECH Microfibre Cloth**.
4. Leave for longer in order to remove old hardened glue, or repeat the procedure.

Note: The product isn't suitable for materials with surface treatment sensitive to chemical solvents, as it may dry out or discolour them. These are typically metallic plastic parts. Before using on this type of material it is recommended to test the product on a small, concealed area.

ONLY FOR PROFESSIONAL AND INDUSTRIAL USE!
