

# Rust Killer

Rust Desolver.

### Properties:

- Dissolves rust with high efficiency
- Excellent penetration
- Doesn't evaporate

### Advantages:

- Quick application
- Easily loosens corroded joints
- Reduces time needed for repair
- Multipurpose use

### Applications:

**RETECH Rust Killer** is a highly efficient chemical solvent of both surface and deep rust. It is used as a rust remover for iron, steel, and cast iron objects. Thanks to its high penetration capability, it can reach the thinnest gaps, disturbing rust crystals and removing the solid connection of corroded layers.

**RETECH Rust Killer** is used in all industries to loosen rusted mechanisms, screws, nuts, bearings, joints, hinges, suspensions, open chain gears, and more. It is also efficient in dissolving surface corrosion of various parts before further surface treatment.

### Order codes:

Name	Storage code	Package	Volume / Size	Order number
Rust Killer	RUK	Bottle	1 L	1 35453

### Instructions for use:

1. Mechanically remove as many loose layers of rust and other crusts as possible – manually or using a wire brush machine
2. Shake the container before use
3. Apply a sufficient amount of **RETECH Rust Killer** and leave for 5 to 120 minutes according to the corrosion level. Do not let the product dry on the surface!
4. Mechanically remove loosened pieces of rust
5. Repeat as needed in case of deep rust
6. Finally clean the surface with **RETECH Cleaner 600**
7. Apply **RETECH Rust Converter Spray** to prevent further rust formation

Note: Do not use in direct sunlight or on hot surfaces.  
Use protective equipment when using (gloves, goggles).

**ONLY FOR PROFESSIONAL AND INDUSTRIAL USE!**

### Technical data:

Colour:	White liquid
Odour:	Specific
pH:	1-2
Density:	1.03 g/ml
Application temperature:	5°C - 30°C

### Storage:

In a dry place at a temperature +5 °C to +30 °C. Protect from direct sunlight and subzero temperatures.

### Health and Safety:

Health and Safety information is available in the Material Safety Data Sheet and on the label.
